MEMORANDUM FOR: Chief, Special Projects Branch, DPD  
Chief, Communications Staff, DPD

SUBJECT : SSB/UNF Communication on IDEALIST/TACKLE  
Missions

REFERENCE : IDEA 0719

The communications plan for in-flight communications for IDEALIST and IDEALIST/TACKLE missions has been reviewed from a security standpoint. This branch interposes no security objections per se to the plan but recommends that the post-strike transmission be repeated one time only if there is no acknowledgement from the ground station. This procedure is recommended to reduce the possibility of DFing.
